

A collaboration between  
Faculty of Engineering and Faculty of Agriculture, Kyushu University  
and Faculty of Science, University of Queensland

# UQ-KU Education Forum 2020

## – Teaching effectively in the time of COVID-19 –

DAY 1: December 10th (Thu) 1400-1600 AEST/1300-1500 JST (Zoom)  
DAY 2: December 11th (Fri) 1400-1600 AEST/1300-1500 JST (Zoom)

### Day 1

#### **Moving towards a learning systems paradigm with and beyond COVID-19**

Prof. Satoko Fukahori, KU

#### **Responses to COVID-19; Evaluation of student performance and issues**

Prof. Lydia Kavanagh, UQ

#### **Teaching large classes in flexible mode**

Dr. Sara Herke, UQ

#### **Building a laboratory skills video library for molecular biosciences**

A/Prof. Jack Wang, UQ

### Day 2

#### **Assessment of program level learning outcomes**

Prof. Satoko Fukahori and Prof. Satoshi Watanabe, KU

#### **Teaching laboratories online in physics**

Dr. Joel Corney, UQ

#### **Teaching technical subjects online**

A/Prof. James Cannon, KU

#### **Opportunities for collaboration**

Moderator, A/Prof. James Cannon, KU
